## BOW OPTIONS

### WALK-AROUND

The bow area is designed to offer maximum comfort and versatility. It includes an elegant forward-facing sofa, perfect for enjoying the views. It also features a spacious U-shaped sofa, ideal for relaxing and socializing in a group. Both options provide cozy spaces to enjoy sailing and anchoring.

### SUNPAD

The bow sun deck offers a large area for sunbathing; this space combines comfort and functionality. It's the perfect place to relax and enjoy the sun.

## HARD TOP

The hardtop, made of carbon fiber, stands out for its modern and dynamic design, providing greater comfort and protection during voyages.

## PILOTING AREA

The piloting area features an Alcantara leather steering wheel and a carbon fiber dashboard with 11 analog indicators and 2 screens. It includes four pilot seats, with the second seat aligned with the steering wheel, offering the best visibility and comfort during navigation."

## KITCHEN

The kitchen is strategically located in the central area of the boat, offering a spacious and functional area. Equipped with a ceramic cooktop and a sink, this space makes meal preparation on board easy. Additionally, the kitchen includes 2 large refrigerators, with the option to install up to 5 refrigerators and an ice maker.

Behind the kitchen, there is a versatile area with a double table and side seats, ideal for enjoying group meals.

NEO 43

NEO 43  
COMFORT

## GYROSCOPE

The gyroscope provides a more stable and comfortable navigation experience by reducing the boat's roll and pitch. It enhances onboard comfort, increases safety, and minimizes the risk of seasickness, even in rough seas.

## FOLDABLE WINGS

The foldable wings are designed to optimize space on board. When deployed, each wing extends the beam of the boat by more than 0.5 meters, providing additional space for activities and increasing comfort. This innovative design allows for a larger and more versatile area.

# INSIDE NEO 43

The bow cabin is a haven of calm and comfort. With a layout that invites relaxation, this cozy space is designed to provide a serene atmosphere after a day of sailing. The ability to convert this bedroom into a lounge area adds extra versatility, allowing you to enjoy moments of tranquility on board.

The aft cabin is the definition of versatility and elegance. This space can be configured as a double bed or transformed into a seating area, adapting to the needs of each journey.

With high-quality finishes and a functional design, it ensures an onboard experience that combines comfort and style in every detail.

The bathroom is a carefully designed space that offers comfort and luxury during any journey. Equipped with a full bathroom, it ensures that sailors can enjoy all the necessary amenities on board. High-quality materials and modern design not only provide functionality but also add a touch of sophistication to every detail.
