DESIGN CATEGORY

## BOW OPTIONS

### WALK-AROUND

The bow area is designed to offer maximum comfort and versatility. It includes an elegant forward-facing sofa, perfect for enjoying the views. It also features a spacious U-shaped sofa, ideal for relaxing and socializing in a group. Both options provide cozy spaces to enjoy sailing and anchoring.

### SUN DECK

The bow sun deck offers a large area for sunbathing; this space combines comfort and functionality. It's the perfect place to relax and enjoy the sun.

## HARDTOP

The hardtop, made of carbon fiber, is designed to optimize performance and aerodynamics. Its low and streamlined profile reduces wind resistance, enhancing speed and efficiency. This design also provides effective sun protection without compromising the sporty profile of the boat. The combination of advanced technology and modern aesthetics ensures a fast and comfortable sailing experience.

## PILOTING AREA

The piloting area features an Alcantara leather steering wheel and a carbon fiber dashboard with 11 analog indicators and 2 screens. It includes four pilot seats, with the second seat aligned with the steering wheel, offering the best visibility and comfort during navigation.

## KITCHEN

The kitchen is strategically located in the central area of the boat, offering a spacious and functional area. Equipped with a ceramic cooktop and a sink, this space facilitates meal preparation on board. Additionally, the kitchen includes 2 large refrigerators, with the option to install up to 5 refrigerators and an ice maker.

Behind the kitchen, there is a versatile area with a double table and side seats, ideal for enjoying group meals.

## OUTBOARD PERFORMANCE ENGINES

With three high-performance engines, the handling is exceptional. The NEO 43 R offers maximum performance on every voyage, providing impressive acceleration and top speed without sacrificing reliability. These engines ensure a dynamic and efficient sailing experience, perfect for those seeking thrills at sea.

## GYROSCOPE

The gyroscope of the NEO 43 R provides a more stable and comfortable navigation experience by reducing the boat's roll and pitch. It enhances onboard comfort and increases safety by minimizing the risk of seasickness and ensuring more predictable handling, even in rough seas.

NEO 43 R

# INSIDE NEO 43R

The bow cabin is a haven of calm and comfort. With a layout that invites relaxation, this cozy space is designed to provide a serene atmosphere after a day of sailing. The ability to convert this bedroom into a lounge area adds extra versatility, allowing you to enjoy moments of tranquility on board.

At the stern of the NEO 43 R, the cabin stands out for its functionality and sophistication. This versatile area can be adapted to offer a comfortable double bed or a seating area depending on the needs of the trip.

With an elegant design and high-quality finishes, this space ensures an onboard experience that combines luxury and comfort in perfect harmony.

The bathroom of the NEO 43 R is designed to offer a luxurious and comfortable experience. Equipped with a modern full shower, this space guarantees all the amenities needed for a pleasant voyage. High-end materials and contemporary design not only ensure functionality but also add a touch of sophistication, providing an exceptional bathing experience.
