BOW OPTIONS

WALK-AROUND

The bow area is designed to offer maximum comfort and versatility. It includes an elegant forward-facing sofa, perfect for enjoying the views. It also features a spacious U-shaped sofa, perfect for resting and socializing in a group. Both options provide cozy spaces to enjoy sailing and anchoring.

SOLARIUM

The bow solarium offers a large area for sunbathing; this space combines comfort and functionality. It's the perfect place to relax and enjoy the sun.

HARD TOP

The hardtop, made of carbon fiber, stands out for its modern and dynamic design, providing greater comfort and protection during voyages.

Garmin digital display showing engine indicators and speed. The display includes several analog-style gauges for RPM, fuel, and other engine parameters. The speed is shown as 15.5 knots. The text 'Indicador' and 'Garmin' are visible on the screen.

Garmin digital display showing a map and navigation data. The display includes a map with a yellow highlighted area and various navigation metrics. The text '0.6', '098 M', and 'Garmin' are visible on the screen.

Yacht engine control panel with buttons for 'TRIM AHEAD', 'TRIM AFT', 'CRUISE CONTROL', 'LOW SPEED', 'THROTTLE ONLY', and 'SHOULDER LEVEL'. The panel is silver and black with a 'VOLVO PENTA' logo.

Yacht throttle lever with buttons for 'SCENE', 'STOP', and 'START'. The lever is silver and black with a 'VOLVO PENTA' logo.

Small control panel with buttons for 'START/STOP' and 'STOP/STOP'.

Small control panel with buttons for 'START/STOP' and 'STOP/STOP'.

Garmin electronic device, possibly a radio or intercom, with a 'GARMIN' logo.

Yacht communication device, possibly a VHF radio, with a 'VHF' label and various buttons.

PILOTING AREA

The piloting area features an Alcantara leather steering wheel and a carbon fiber dashboard with 11 analog indicators and 2 screens. It includes four pilot seats, with the second seat aligned with the steering wheel, offering the best visibility during navigation.

KITCHEN

The kitchen is strategically located in the central area of the boat, offering a spacious and functional area. Equipped with a ceramic cooktop and a sink, this space makes meal preparation on board easy. Additionally, the kitchen includes 2 large refrigerators, with the option to install up to 5 refrigerators and an ice maker.

Behind the kitchen, there is a versatile area with a double table and side seats, ideal for enjoying group meals.

MAX 43

MAX 43
COMFORT

GYROSCOPE

The gyroscope provides a more stable and comfortable navigation experience by reducing the boat's roll and pitch. It enhances onboard comfort and minimizes the risk of seasickness, even in rough seas.

MAX 43
COMFORT

FOLDABLE WINGS

The foldable wings are designed to optimize onboard space. When deployed, each wing extends the boat's beam by more than half a meter, providing additional space for activities and enhancing comfort. This innovative design creates a larger and more versatile area.

MAX 43
COMFORT

INSIDE MAX 43

The bow cabin is a haven of calm and comfort. With a layout that invites relaxation, this cozy space is designed to provide a serene atmosphere after a day of sailing. The ability to convert this bedroom into a lounge area adds extra versatility, allowing you to enjoy moments of tranquility on board.

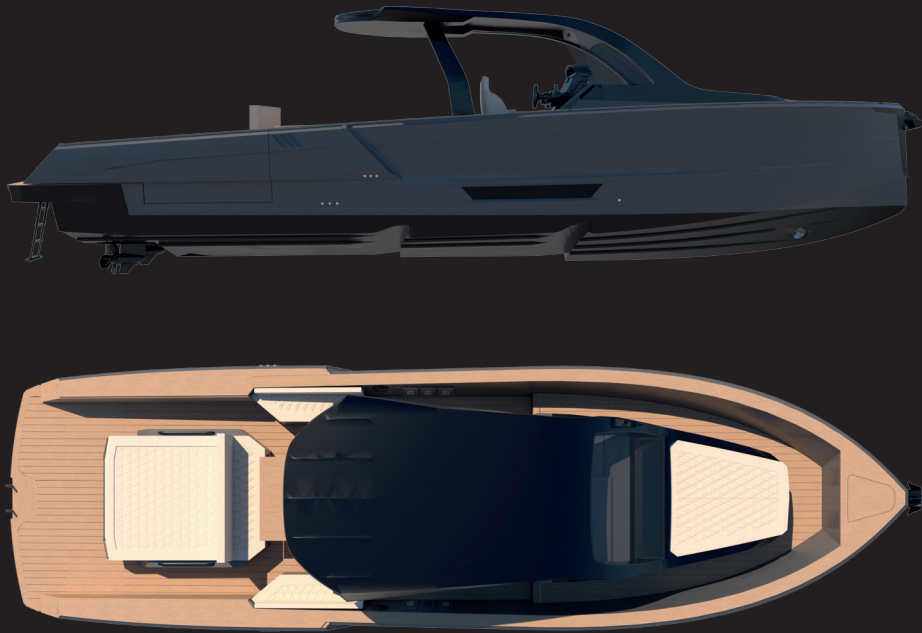

The aft cabin is the definition of versatility and elegance. This space can be configured as a double bed or transformed into a seating area, adapting to the needs of each journey.

With high-quality finishes and a functional design, it ensures an onboard experience that combines comfort and style in every detail.

The bathroom is a carefully designed space that offers comfort and luxury during any journey. Equipped with a full bathroom, it ensures that sailors can enjoy all the necessary amenities on board. High-quality materials and modern design not only provide functionality but also add a touch of sophistication to every detail.
